2 Seater 1100cc Side-by-Side Utility Vehicle

FALCON 1100-2S...

For enthusiasts who want more control and raw power, the Falcon 1100-2s is a standout. Featuring a 4-cylinder 1100cc EFI engine from Chery Auto, this unit delivers a punchy 90Nm of torque with a manual 5-speed transmission and clutch.

Built for serious work or extreme play, it gives drivers full command over terrain and performance. The ultimate option for purists who like to shift and roar.

- 1100cc 4-cylinder Chery Auto engine
- 5-speed manual gearbox with clutch
- 4WD shaft drive with strong torque delivery
- Larger footprint for enhanced off-road stability
