A member of the REVARO® Group of Companies

The Eagle Estate?8?Highrider is designed to accommodate up to eight passengers comfortably, making it ideal for transporting larger groups across estates, resorts, or event venues. Its elevated chassis ensures smooth navigation over uneven terrain, combining capacity with rugged capability.

Key Features & Benefits

- Spacious 8-Seater Design
  Comfortably seats up to eight passengers, making it perfect for group transport needs.Revaro
- Elevated Ground Clearance
  Features a lifted chassis that allows for easy navigation over rough paths, grass, and gravel surfaces.
- Efficient 72V Lithium-Ion Battery System
  Equipped with a 72V lithium-ion battery, offering longer range, faster charging, and reduced maintenance compared to traditional systems.
- Standard Safety & Convenience Features
  Includes electromagnetic brakes, rear storage compartments, dual sand bottles, ball and water holders, split windshield, and a cooler box for added convenience.
- Optional Customization
  Enhance your cart with optional aluminum wheels for added durability and style.

Who It's For

- Resorts, large estates, and event venues requiring efficient group transport across varied terrains.Revaro
- Tour operators and shuttle services looking for a reliable and spacious vehicle for guest transport.
- Properties with extensive grounds where traditional vehicles may struggle to navigate.BDX Performance

Why It Stands Out
The Eagle Estate?8?Highrider combines the practicality of an 8-seater with the rugged capability of the Highrider series. Its elevated design and efficient electric powertrain make it a versatile choice for transporting groups across challenging terrains, ensuring a comfortable and reliable ride.
