12.5 Ton Motor Grader (160HP)

T-REX1125

The Revaro T-REX1125 is a heavy-duty 12.5-ton grader built for larger-scale projects. It houses a powerful 118KW Weichai engine and boasts a significantly wider 3962mm blade with an increased cutting depth of 360mm. The blade also features an extended moving range of 600mm to both the left and right, alongside higher ground clearance for the blade and axles to navigate tougher terrain
